Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

These individuals have limited choices about how they can move around the city due to age, cost and mobility challenges.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Road tolls for the vehicles using the infrastructure.

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Don't know

Any other comments on future funding for responding to climate change?

I would need more information on what the actions would be and assurance that the money would make a direct impact on climate change.

Where did you hear about the consultation?

Word of mouth
