No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I would prefer this option as it would greatly benefit myself and my family, as well as those most in need in our community.

Any other comments on bus fares?

I would like bus cards to be cheaper or free and it would more beneficial for most people in our community if it were.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

I would like to see the levy funding the improvement of food and water security, as well as ecosystems adaptation and restore biodiversity, organic waste as it would better benefit the global food waste crisis that we as a species are facing as well as lowering green house emissions

Any other comments on future funding for responding to climate change?
