No, I'm submitting as an individual

Which age category are you in?

25-39 years old

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

the rate for adults needs to be reduced so driving is seen as the more expensive option, thus reducing the number of cars on the road.

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

making canterbury a leading area in NZ and internationally on climate action through green public transport, increased green areas, clean waterways and building of low & clean energy homes
