No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I think this would be an incredible initiative, currently i have 1 15year son that buses to and from highschool daily at a cost of around \$25 p.w.....next year i will have 3 students bussing into town to high school which then means im looking at a cost of approx \$75 p.w!!!

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Would you support a levy to accelerate action in response to climate change?

Yes

Where did you hear about the consultation?
