Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

As a student who has to travel to uni, i spend so much money on bus fares. This can rake up by the end of the year and its really hard to constantly have you card topped up. Having a free bus fare for uni students wuold be the dream but i would also be grateful for a discount.
