No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I have 4 children one who will be 15 this year that travels on the bus over to upper riccarton and I would love to see the price fall for her getting to school. Some days I drive her and feel guilty using my car but if it was free she would always catch the bus
