Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Poor university student. Low bud fare to work is ideal as I use the service regularly.

Any other comments on bus fares?

Don't really mind what plan so long as free/concession for students.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

Not educated enough to answer this

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Not sure

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

Listen to Elon Musk and investment in green power technology. Tidal maybe, stop blaming farmers please

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

Why is Riccarton Rd permanently under construction?
