No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Because if a fixed low rate is paid then there will not be higher rates ect.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

Unsure, I don't fully understand this section

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Fundraising or collection bins around areas that can be picked up before nightfall where they can be stolen.

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Tree planting, beach clean-ups and similar
