**First name**

Rick

---

**Last name**

---

**Email address**

---

**Suburb**

Halswell, Christchurch

---

**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

25-39 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

---

**Tell us more about why you support the selected bus fare option.**

With stagnating wages and increasing cost of living, option 2 better supports the whole population of bus users and not just students etc. It's unfair for most rate payers to pay increased costs not see the benefits (as would occur under options 1 and 3).

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Don't know

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

---

**Would you support a levy to accelerate action in response to climate change?**

Yes

---

**What current or future projects or activities would you like to see funded by such a levy?**

Planting more trees. Banks peninsula should be planted out with natives like it used to be.

---

**Where did you hear about the consultation?**

Print ad or billboard
