No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

We need to allow people affordable rides, lower traffic in the city and cut the emissions.

Any other comments on bus fares?

Can make monthly flat fee for adults as well besides the subventionized per ride cost.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

Find private investors. Offer them charging stations for EV vehicles and similar if they pay licence to the city. Tax the multinationals (macdonalds, google, ...).

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

From govt fund.
