No

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

**Tell us more about why you support the selected bus fare option.**

Fares still need to be present to support driver's wages and other resources for public transport. However, lower fares will encourage more to hopefully use buses.

Would still be great to see fare-free hours for all ages. More special fare-free days as well!
