No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I'm a solo father with full time care of three young children (two with special needs) who doesn't drive. I'm unable to work and we use busses regularly and the savings would be significant to us on our limited budget. When this situation changes and I can work again I am happy to start paying fares again.

Any other comments on bus fares?

No Answer
