Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

This benefits everybody. I'm not too sure, but do government benefits help pay for transport? If so, it would essentially be free for those that need it the most, while still costing the government less to charge up their bus cards. It is a win win.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

That sounds like your job to figure out

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

That sounds like your job to figure out

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Cycle lanes, public transport, Parks with native plants.

Any other comments on future funding for responding to climate change?

If you are going to take peoples money you better actually do something with it. I'm quite tired of the "we have tried nothing and are all out of ideas" approach.

Where did you hear about the consultation?
