No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I'm a 20 year old student who can't drive due to a disability, the bus is all I have. I think it's too expensive for students once they turn 18.

Any other comments on bus fares?
