Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

65+ years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I think there is a great need to help people reduce their dependence on private cars and I think this would be the best option for doing that.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Genuine steps to reduce carbon emissions rather than engaging in offsets that give the impression of doing something while carbon emissions keep increasing.

Where did you hear about the consultation?
