No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

Tell us more about why you support the selected bus fare option.

Strongly support free public transport.

Any other comments on bus fares?

Should be free for everyone. Every encouragement for public transport helps build towards a more equitable and vibrant city. Also a very important step towards reducing our impact on the climate.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

No Answer

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Public transport.

Where did you hear about the consultation?

Word of mouth
