25-39 years old

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I would be much more inclined to utilise the bus network under option 2. I work in the central city and would be willing to bus into work each day if the fare was cheaper.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know
