15– 24 years old

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I'm a 22 year old who works full time with all the bill i have to pay the \$2 option is more appealing to me because it would reduce the amount of money I'd have to use every week. It would make me want to take a car less to work.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Where did you hear about the consultation?

Other (please specify) - Metro exchange in Chch
