Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

it makes no sense having zones and makes it more expensive for everyone

Any other comments on bus fares?

yeah i also think they should introduce student fees as an option, especially for uni students who need it

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

fundraisers

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

not sure

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

better plastic disposal and social education in recycle types

Any other comments on future funding for responding to climate change?

needs to be increased
