Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

Student's pay so much as is to attend uni, and without a full time job it isn't realistic for them to pay the same fares as everyone else. Even those under 25 who aren't at a tertiary institution will not be earning nearly as much as most adults and so it's really hard for them to keep up with the high bus fares.
