Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Because i only work 8 hours a week and i have to catch two buses everyday to uni and then back home again, and it costs me about \$30 a week to bus. i'd save a lot more money if i didn't have to pay fares for the bus.
