Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I believe younger people, students, older people are living in very hard financial times, it simply makes sense to make public transport for these groups free.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

Cut back on some other spending areas?

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

I believe there needs to be a governmental approach to natural disasters like these on such large scales.

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

Families are all making changes in their household to cope with climate change and the ever increasing cost of living.
