No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Because I think this would make the biggest difference to people taking the bus. I currently drive from west Melton, option one mostly appeals to people who already take the bus. If you want to decrease emissions option 2 is best.
