**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

15– 24 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

I support it as I don't get much financial support from studylink. I have to pay off a car and insurance and it leaves me little money left to top up my bus card. My parents seldom are able to help too

---

**Any other comments on bus fares?**

Option 2 would be the next best thing as the prices are lower meaning my money will go further

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Don't know
