No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

As a uni student, university fees are already so expensive + we have no choice to use the bus. As a student, we have no time to work or save up for bus fares which we really need to go to our schools. So free fare or at least the discounted fare would be of great help.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know
