15– 24 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

The only way to encourage more bus use amongst tertiary students is to make it free. Even at a concession price, the flat fare means that it's still cheaper to drive to places nearby than to take a bus.

Would you support a levy to accelerate action in response to climate change?

Yes
