**Which age category are you in?**

15– 24 years old

**Do you wish to speak to your submission at a Council hearing?**

No

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

**Tell us more about why you support the selected bus fare option.**

As a university student I am already paying for many things such as tuition and textbooks. It is very hard to be able to afford all these things, and free public transport until I am able to get a good paying full time job would cut down the cost of my daily commute to campus.

Don't know

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

Yes

More development of zero carbon power sources, such as nuclear energy or wind energy.
