No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Because it would make it easier for travelling not having to pay especially being a uni student having to take 4 busses in total a day to get to uni and home

Would be great to trial the fare free option! Especially if it's going to help the environment
