Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

It seems option 1 would be the most beneficial for the largest group of people.

Any other comments on bus fares?

Generally speaking, I would even consider fare-free for everybody within city limits, not just to certain groups of people. Hopefully this would significantly increase public transportation usage.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Would you support a levy to accelerate action in response to climate change?

Yes

Where did you hear about the consultation?
