Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

my daughter is disabled and LOVES riding the bush It's an activity for her and other activities are limited for her

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

commitment from the farming sector

Any other comments on future funding for responding to climate change?

Farmers are busy enjoying record prices while bitching about central govt and making NO RESI headway on addressing Climate Change . Stop babying them

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

address climate change please! We spend so much subsidising farmers through the roads their tankers wreck etx. Our rivers are a bloody disgrace
