Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

My household includes students and a community service card holder. While all currently use the bus, it is quite a cost for them. I don't think those who can afford full fare will change their behaviour based on the cost so favour option 1 over 2 or 3.

Would you support a levy to accelerate action in response to climate change?

Yes
