25-39 years old

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

At the moment, my Wife and I live in Lincoln and work in Wigram and Riccarton respectively. The 80 service would be ideal for us however it's currently \$72 per week if we were both to commute via the bus daily. We're certainly open to doing this but when the car is half the cost, it's just not viable.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know
