No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

It would make travel much easier for a lot of people. A trip as a family with two adults and children often works out far more expensive to bus than it is to go by car currently.

I don't have a preference
