No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I support my choice due to the fact that I am a Total Mobility card holder and have low vision, therefore cannot drive. Due to my disability my income level is restricted and I consider it important as a community to help those on low income levels to create an 'equal playing field' so we are not disadvantaged.

Is borrowing and repaying through general rates the right approach for this regionally significant event?
