No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I support my selected bus fare option that there should be no fare for students, under25s, total mobility and community services cardholders because the current price is already far too high and if you are on the bus 2 times a day you can be spending upwards of \$15 per week
