40-64 years old

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

Being an international student, I am already paying a lot of money for the tertiary fees so this would save me a lot of money. But I also support Option 2 and Option 3 because I normally only travel between these zones 1, 2 and 3 and this would also work well for me.

---

**Any other comments on bus fares?**

A great initiative. I have definately enjoyed my time so far in Christchurch and the greater Canterbury area, and I find that catching the Bus is always good, especially if I plan ahead and make sure I can make any connecting buses in order to get to my destination(s) on time.
