Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Option while looking good considerable increase to rates. It also Doesn't appear to offer free Trips for Gold card holders but a \$2 fare seems an OK medium compromise, including on rates over time.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

Not sure but ensuring that property developers pay adequately for setting up infrastructure is important.

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

By the government because it is what taxes pay for. Or increase registration costs, which traditionally have been a lot higher.

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Any other comments on flood protection in Ashburton?

No.

Any other comments on future funding for responding to climate change?

Um, surely it is about looking at the biggest contributors and charging accordingly?

Where did you hear about the consultation?
