Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

0–14 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

because this will encourage lots more people to take the bus.

Any other comments on bus fares?

I think it should be free for everyone to use the bus so that less people drive and more people use the bus.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

tree planting, trains, trams, electric buses and free bus tickets.

Any other comments on future funding for responding to climate change?

I think that better public transport would be very good.

Where did you hear about the consultation?

Other (please specify) - on the metro info website
