Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

65+ years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

Tell us more about why you support the selected bus fare option.

It favours families and young people to help with cost of travel

---

Any other comments on bus fares?

Keep them low - supported by council and ratepayers.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

Don't know.

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Nationally like an EQC fund so money can go where it is needed without bankrupting councils

---

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

More help with getting as many houses fitted with solar panels or more building using the gases from waste sites

---

Any other comments on future funding for responding to climate change?

We must all pull together

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

No
