40-64 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

Being a family of 4 (2 adults and 2 boys) who use buses nearly everyday to get to and from work and school; this option would be ideal for us. Both my partner and myself are community service card holders being on low incomes and our 2 sons being of school age, this would free up a lot more money in our weekly budget. With the cost of things going up this would help a lot especially in these trying times.
