Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

In a climate concerned community, many do not (or regret) use bus services due to the negative experiences occurring with free passengers.

Any other comments on bus fares?

Could we provide a free bus and a paid (reliable - clean - masked) bus? More people would then use the bus and more revenue would be generated while the (paid) network is more likely to keep on schedule.
