No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

i am a student that busses to school and home from school everyday and i use busses for going out to see friends in my own time as my parents are working and after a while the cost ads up a lot and it become quite expensive and for children especially i feel that it is necessary for the bus fares to be free

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

donation centre so that not everyone has to pay because some people are not financially able to pay anymore

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

donations

Which option for distribution of rates in Ashburton River rating district do you support?

Option 2 (status quo): Keep the current distribution of rates in the Ashburton River rating district.
