**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

65+ years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

---

**Tell us more about why you support the selected bus fare option.**

There's no concession for over 65 year olds who are still working between 8.30 am ad 5 pm. We don't don't fall within the criteria for a community services card.

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

No

---

**How else might we pay for our share of this work?**

Surely, with the huge amount we pay for rates, the Council should have put aside a sum for these ongoing matters. You are always asking the rate payers to cough up.

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

By you the council putting money aside from our rates.

**Where did you hear about the consultation?**
