Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

65+ years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

It looks to me as if this would benefit the most people- increasing the number using public transport has environmental benefit and it may be possible to increase the frequency of services.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

At least some funding from central government

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

less water consents for intensive dairying

Any other comments on future funding for responding to climate change?

Taxing fertilisers to play a part in improving water/river quality

Where did you hear about the consultation?
