40-64 years old

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

I am a single parent whose children bus into the city for school. It is costing me around \$80 a fortnight and that's just for school not if they bus to a friend's place then home later that evening. The free bus rides would help me out tremendously!
