Tell us more about why you support the selected bus fare option.

Hi there, I currently live in Riccarton and am doing my Master's out at Lincoln. I only go into university x3 a week and it is currently costing me nearly \$50 (cray z) - I want to take the bus to save money but since Lincoln is in a different bracket and pretty much cost me the same to catch the bus. If it was free/cost less it would make such a difference. It's really hard out there at the moment for everyone.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Yes
