Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 3: Tertiary student concession

Tell us more about why you support the selected bus fare option.

The house prices are already more than twice. Similarly rates are already up. Adding more costs of bus fare into rates is a burden on rate payers.

Any other comments on bus fares?

Students and children should get concession only.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Insurance

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Any other comments on flood protection in Ashburton?

Work on climate protection framework as fast. Otherwise climate change will affect all of us.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Educate people as much on the upcoming devastating effect of climate change. See Australia these days.

Where did you hear about the consultation?
