40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Fair to all and since I pay CCC rates I am already subsidising the Bus System.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

Dismantle ECAN as they are useless, this should save A LOT of money!!!!!! You want to put up your part of the rates 24% and yet you can't run a bus system that is 21st century. People want buses after 11pm - it's just a joke, so 1950s to stop buses at 11pm. Get real !!!!!!!!!!!

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

No

Where did you hear about the consultation?
