Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 3: Tertiary student concession

Tell us more about why you support the selected bus fare option.

I think the current prices with a Metrocard are fine but I do think tertiary students of any age should have a discounted rate as they probably use the bus services more regularly and have less earnings while they are studying.

Any other comments on bus fares?

I think they're fine as they are, they're reasonable and the Metro card system works well.

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

I don't know enough about this to comment

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

I don't know enough to comment

Would you support a levy to accelerate action in response to climate change?

Don't know

Where did you hear about the consultation?
