Which bus fare structure option would you like to see trialled?

Option 2: $2 flat fare for adults and $1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

For us, always vague uncertainties regarding bus use have always increased reluctance to use bus: Will bus go where I need to go? At the right time? Will it be full? And ... Costing how much - is my metrocard loaded (with how much)? How much to pay, if cash - why so different cash vs card? AND where do zones start end, and how does that add up for me? So. Knowing that the bus ride costs X is one less wobble. Not for me, I ride free over 65+ which is a much-appreciated feature of the service!! But for others for whom bus use HAS to become second-nature. Hop on hop off, no thinking required. One simple fee.
